Sanchit Goyal

Website Developer

I am a self-taught and passionate website developer with over 4 years of experience working with WordPress and Shopify. I love creating and managing WordPress websites from the ground up, especially using Elementor. I have a solid grasp of HTML, CSS, and some basics of JavaScript. Over the years, I've successfully completed many websites. I can communicate effectively in English and am always eager to take on new challenges. I'm looking to bring my skills and enthusiasm to a dynamic and innovative team.
